## ***Bristnall Hall Academy: Provider Access Policy***

### **Introduction**

This policy statement sets out the academy's arrangements for managing the access of providers to pupils at the academy for the purposes of giving them information about the provider's education or training offer. - To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.

Please speak to our named Careers Leader to identify the most suitable opportunity for you.

The academy policy on safeguarding sets out the academy's approach to allowing providers into academy as visitors to talk to our students.

## **Premises and facilities**

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the academy librarian. The Resource Centre is available to all students at lunch and break times.
