

Home Academy Agreement

Bristnall Hall Academy

We offer our pupils a caring and supportive environment in which to learn. The ethos of the academy is underpinned by a commitment to providing equal opportunities for all and a resolve to foster an atmosphere in which each pupil as an individual is respected and encouraged.

It is our aim to enable pupils to develop self-confidence and an awareness of their personal strengths whilst promoting a firm grasp of their personal responsibilities.

Our staff strive to work hand in hand with parents to help all pupils reach their potential both academically and, importantly, in terms of personal growth.

The Trust agrees to:

- Support academies to transform the learning opportunities and aspirations for our pupils, and the communities in which they live.
- Ensure that every child matters and deserves a first class education. We believe everyone has hidden potential to be uncovered and nurtured.
- Play our part in giving young people the education and opportunities they need to succeed in a changing world.

The academy agrees to:

- Provide a broad and balanced curriculum which seeks to meet the needs of all our pupils
- Ensure that children are taught well, cared for and treated fairly
- Identify, help and encourage children to make constructive use of their talents
- Provide an orderly, secure and happy environment in which children can learn and grow up
- Keep parents informed of children's progress and offer advice on how parents can help
- Listen and have due regard for parents' concerns and anxieties and provide opportunities for parents to discuss these
- Keep parents informed about academy activities and the opportunities to participate in them.
