

November 2020

Dear Parents and Carers,

BHA exemption card

I hope you are safe and well at this time.

From Monday 9th November 2020, all students are expected to wear masks or face coverings in our corridors and other indoor communal areas where social distancing cannot be easily maintained, unless they have a **BHA exemption card**. Face coverings must be appropriate in design and should be plain, not featuring patterns, branding or logos. Our aim is to ensure that safety is paramount for our students and staff and we will continue to strictly follow DfE guidance. All face coverings should be stored in a sealed plastic bag after use in communal areas.

If you believe that your child requires a BHA exemption card, please contact the following Achievement Coordinator or our SENCO either by email or by telephoning the academy.
