

British Values

Preparing Students for Life in Modern
Britain

Democracy

- Students are involved in democratic processes. E.g. voting for the Academies chosen choice of charity.
 - Students are elected to roles such as House Captain and Prefect.
- Student Voice is at the heart of all that we do and helps guide Academy decision making through our Student Council.

“Bristnall Hall is an encouraging, safe and friendly environment which is essential for encouraging the best from all your students.”

Year 12 Parent

Individual Liberty

- Students have key roles and responsibilities in school, wearing badges to indicate their roles as House captains, Prefects, Sports Captains and Peer mentors.
- Students make options choices in Year 9 to enable them to follow the pathways they wish to follow.
- Choice is built into our lesson delivery with students given opportunities to choose their own tasks based on their preferred learning style.
- A rich and varied extra-curricular programme is in place and students are given the freedom to make choices.

“I chose Bristnall Hall for my daughter because it has a friendly and nurturing environment. No child is overlooked.”

Year 8 parent

Mutual Respect

- The Academy operates a Behaviour for Learning policy which places mutual respect at the heart of all that we do.
- Our Academy Skills and Attributes statement embodies values of mutual respect and resilience and ensures that this is embedded across the Curriculum.
- Our Prefects actively promote an attitude of equality and fairness.

“The students respect each other and adults they have contact with.”

OFSTED

The Rule of Law

- We have a clearly structured Behaviour for Learning policy which all stakeholders understand and follow.
- We regularly review behaviour incidents in the Academy and share these with key stakeholders to improve further.
- The Academy has developed links within the local community and we are provided support and guidance by our local police representatives.

Acceptance of those of different Faiths and Beliefs

- All of our students have the opportunity to attend Religious Studies lessons as part of our Curriculum which educate them on a range of faiths, religions and cultures.
- Spiritual, Moral, Social and Culture (SMSC) opportunities are embedded across our Curriculum.
- We highlight and celebrate key religious festivals such as Diwali, Christmas and Eid through assemblies and activities delivered through Form time.
