

Year 7

Place Value & Number Application

Algebraic Thinking

Fractional Thinking

Using Geometric Notation

Proportional Reasoning

Developing Geometric Reasoning

Algebraic Techniques

Developing Number

Data Representations

Developing Geometry

Proportional Reasoning

Year 8

Interpreting Data

Developing Geometry Further

Year 9

Reasoning with Algebra

Constructing in 2 and 3 Dimensions

Reasoning with Number

Reasoning with Geometry

Reasoning with Proportion

Proportions & Proportional Change

Geometry

Developing Algebra

Similarity

Year 10

Algebraic Representation

Representations

Delving into Data

Using Number

Expressions

Year 11

Graphs

Further Algebra

Reasoning Mathematically
