## Update to SEND information report in light of COVID-19.

### Supporting vulnerable children and young people's learning

- SEN students continue to be supported in their live online lessons.
- Live lessons for Literacy and Numeracy are taking place.
- For students who struggle with Live online lessons, we have sent paper-based work packs out to students, which are differentiated.
- Handwriting packs have been sent to the students that requires extra work on their presentation.
- Well-being calls are made to all family of EHC students at least once a week to check everything is going well with home learning.
- If it is thought by the parents that home is not the best place for a SEND student to be, or the parents are key workers, then the students are supported in school doing their online lessons.
