Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

Students in years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses

The 4 encounters a school must offer to all pupils in years 8 to 11

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 11 for the purpose of informing them about approved technical education, qualifications a, or apprenticeships.

Schools must provide a minimum of 4 encounters with technical education or training providers to all pupils in years 8 to 11 (see below for details)

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the Education Act 1997, and on page 43 of the guidance from the Department of Education (DfE) on Careers guidance and access for education and training providers.

This policy shows how our school complies with these requirements.

Schools must offer:

- **2 encounters** for pupils during the 'first key stage' (years 8 or 9)
 - All pupils must attend
 - Encounters can take place any time during year 8, and between 1st September and 28th February during year 9
- **2 encounters** for pupils during the 'second key phase' (year 10 and 11)
 - All pupils must attend
 - Encounters can take place any time during year 10, and between 1st September and 28th February during year 11.

These encounters must happen for a reasonable period of time during the standard school day. Schools continue to provide complementary experiences but encounters outside school hours will not count towards these requirements.

Schools must ask each provider to provide the following information as a minimum:

- Information about the provider and the approved qualifications or apprenticeships they offer
- Information about what careers those qualifications or apprenticeships can lead to
- What learning or training with the provider is like
- Answers to any questions from pupils

Encounters will take place as outlined in our Careers Programme and will take place at appropriate transition times when the information will be most relevant to our students.

When selecting providers, we will consider the following;

- Labour market information
- Students voice and interests
- Links to the curriculum
- Previous destinations data for our students
- Meeting the needs of students

Meaningful provider encounters

Our school is committed to providing meaningful encounters to all pupils. 1 encounter is defined and 1 meeting/session between pupils and 1 provider.

To ensure encounters are meaningful, we will:

- Provide providers with learning aims and planned outcomes via a briefing or a pre-meeting to prepare
- Check content of delivery
- Prepare students with an introductory preface about the visitor/company
- Prepare staff involved via a briefing
- Where relevant inform/invite parents
- Evaluate by asking for feedback from students, staff and providers
- Meaningful live online engagement is also an option at Bristnall Hall Academy

Bristnall Aims

The aims of Bristnall Hall Academy are that all pupils should:

- Encourage all pupils to be ambitious, explore their creative aspirations or broaden their horizons by climbing their own personal mountain
- Have the opportunity to undertake a variety of work-related activities and experiences (dependant on age and appropriateness)
- Understand themselves and develop their capabilities
- Understand and investigate careers and opportunities through developing information literacy
- Be aware of education, training, career options and pathways
- Make appropriate choices about their continuing education and career paths at each stage in their transition (notably the end of Key Stage 3 and throughout Key Stage 4 and Key Stage 5)
- Manage transitions to new roles and situations, and link what they learn in the academy with life outside and their future steps

- Work with parents to encourage motivation and ambition
- Be constantly encouraged to be highly aspirational and to tackle stereotypical assumptions
- Have access to a cohesive Careers Education Information, Advice and Guidance programme for Year 7 through to Year 11, and Year 13 for our Post 16 pupils.
- Be aware of the local and national labour market and have access to labour market resources.
- Develop employability skills such as interview preparation, CV writing and letters/ statements of application

Management of Provider Access Requests

Procedure

A provider wishing to request access should contact, Tess Cutler Careers and Aspirations Lead

Telephone: 0121 552 5425

Email: tess.cutler@attrust.org.uk

Please speak to Tess Cutler to identify the most suitable opportunity for you.

Access to students

Access to students will be agreed via SLT, and may happen during assembly, PD and lesson times. In certain circumstances, lunchtime session may also be available.

Drop down days are utilised for careers events and invitations will be sent to providers and employers well in advance for planned careers events

Safeguarding

The academy policies on safeguarding and visitors sets out the school's approach to allowing providers into school as visitors to talk to our students. These can be found on the school website.

Premises and facilities

The school will make the sports hall, event halls, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available projectors and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the IAG or a member of the pastoral team.

Previous Providers

In previous years we have had the following providers speak to our young people:

Education and training	Employers
NFRC	NHS
ASK Apprenticeships	CPS
Halesowen College	Army
UCB	Navy
Birmingham University	RAF
Incomm Training	HS2
Skill Supply	KPMG
BMET	John Deere
Open Doors	PwC
SCL	Kier
Juniper training	Silkin Lewis Solicitors
BOA	
Walsall College	
King Edwards 6 th Form	
Nova training	
Shirelands 6 th Form	
NCS	
St Michaels 6 th Form	
Sandwell College	
Wolverhampton University	
Chris Brunt Academy	
Dudley College	

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Reception.
