Safeguarding

Our Trust

*These four critical questions make it clear who we are and what we do.
We ask ourselves these questions to guide our work and our improvement.*

Why do we exist?

To **transform life chances** by achieving the highest possible standards and preparing all our students to lead successful lives.

How do we behave?

- **Hard work**
We are determined to see things through to the end and are resilient when faced with challenges.
- **Integrity**
We do the right thing because it is the right thing to do.
- **Teamwork**
We work together to help everyone succeed.

What do we do?

- We educate, safeguard and champion all our learners.
- We set high standards for ourselves and our learners.
- We build the powerful knowledge and cultural capital which stimulate social mobility and lifelong learning.

How will we succeed?

1. Aligned autonomy
2. Keeping it simple
3. Talent development

SEND Information Report

Local review

Approved by:	Governing Body	Date:
Last reviewed on:		Date: September 2024
Next review due by:		Date: September 2025
SENDCO	Nicki Wilkinson nicola.wilkinson@attrust.org.uk	Achieved NaSENCO qualification on 30 th October 2023
SENDCO	Debra Jones debra.jones@attrust.org.uk	
Designated Teacher	Nicky Payton nicky.payton@attrust.org.uk	

1. The kinds of SEND that are provided for:

Our academy currently provides additional and/or different provision for a range of needs, including:

Area of need	Condition
Communication and interaction	<ul style="list-style-type: none"> Autism Spectrum Disorder Speech and language difficulties
Cognition and learning	<ul style="list-style-type: none"> Specific learning difficulties, including dyslexia, dyspraxia, dyscalculia Moderate learning difficulties Severe learning difficulties
Social, emotional and mental health (SEMH)	<ul style="list-style-type: none"> Attention Deficit Hyperactive Disorder (ADHD) Attention Deficit Disorder (ADD)
Sensory and/or physical	<ul style="list-style-type: none"> Hearing impairments Visual impairment Multi-sensory impairment Physical impairment

All Academy Transformation Trust Academies have adopted the Judith Carter Model. This is a strengths based model and means we will also identify your child's strengths and needs across the 7 Cs:

- Curriculum
- Cognition
- Creativity
- Coordination
- Communication
- Compassion
- Control

2. The Academy's SEND support overview and 'Core Offer'.

Our staff closely monitor the progress made by all students and ask advice from the SENDCO, as soon as they have concerns about any of their students. We then follow the graduated approach documented below and **the Assess, Plan, Do, Review** cycle. A concern might relate to a student's attainment, progress, behaviour or social, emotional or mental health needs.

Register	SEN stage	Description of stage and actions required	Responsibility
Not on SEND	Stage T (Teacher)	<ul style="list-style-type: none"> Teachers use a range of classroom assessments to identify students of concern and relevant targets 	Class Teacher Student

support register		<ul style="list-style-type: none"> Teachers then plan to support those students through adaptive teaching e.g. teacher tweaks and adaptations Additional classroom support/interventions may be implemented. (see non-exhaustive list below) The provision being made for these students is regularly reviewed as well as their progress towards targets. 	
	Stage 1	<ul style="list-style-type: none"> If concerns persist following a period at stage T, concerns will be shared with the SENDCO and parents Additional support/interventions may be planned. The student's progress and any interventions will be monitored and reviewed carefully for impact by class teacher and SENDCO Referrals may be made to external agencies for assessment and additional support. (list below) Additional in-school assessments may be carried out. (list below) For speech and language concerns – if the issues relate solely to speech, the student will stay at stage 1. 	Class Teacher SENDCO Parents Student
Added to SEND support register. Parents notified and involved in termly reviews	<p>Stage 2 SEND K</p> <p>A student has SEND if they have a learning difficulty or a disability which calls for specialist provision to be made.</p>	<ul style="list-style-type: none"> Following a review of Stage 1 and of the student's learning, SEMH or social needs, if concerns persist and the student is requiring support which is additional to and different from standard quality first teaching, they will be moved to stage 2. Referrals may be made to external agencies for assessment and additional support. (list below) Additional in-school assessments may be carried out. (list below) Teacher, parents, student and SENDCO will set SMART targets and plan relevant provision and interventions. Targets will be captured in a learning support plan which will be reviewed termly with parents. 	Class Teacher SENDCO Parents Student
Request for statutory assessment of SEND	Stage 3 SEND E	<ul style="list-style-type: none"> For some students, stage 2 support will not be adequate to enable them to make expected progress towards their targets. Following evidenced cycles of SEND support, the academy may apply for an Education, Health and Care Plan. From the agreement to assess, the local authority coordinates an assessment of needs within a 20-week window. The student, parents and academy are fully involved in this process. Needs will be identified, targets set, and plans made for provision to meet these needs. These students will continue to be supported by a learning support plan which is reviewed on a termly basis and will have a statutory annual review of their EHCP 	Local Authority SENDCO Class Teacher Parent Student

3. Our Academy's Core Offer

Academy assessments	Academy Interventions	External agencies
---------------------	-----------------------	-------------------

<p>Speech and Language</p> <p>BPVS</p> <p>Speech link</p>	<p>Speech and Language</p> <p>Lego Therapy</p> <p>Wellcomm</p>	<p>NHS Speech and language therapy (SALT)</p>

4. Supporting students moving between phases and preparing for adulthood

We are very aware that moving to a new class or academy can be a time of worry and anxiety for students and their families.

Moving to a new school year: Information about your child's SEND will be shared with their new subject teachers in their learning support plans and pupil passports. Based on individual needs, additional transitional arrangements may also take place and you can discuss these with the SENDCO if appropriate.

Moving up to Secondary: The SENDCO of the primary school meets with our SENDCO to discuss the needs of the incoming students near the end of the summer term. Our SENDCO also meets with students and carries out observations in the classroom at their primary school where appropriate. For high needs students not sitting SATs, visits are arranged from Easter. For high needs students sitting SATs, visits are arranged after SATs. Our SENDCO also attends any annual reviews where possible.

As appropriate, we arrange meetings with the parents/carers of incoming students to discuss how we can best welcome their child into our community. Students have as many visits as they require leading up to transition week in July. During the transition visits students meet key staff; receive a transition booklet; take photographs to look at in the summer holidays; join in lessons and non-structured activities

High needs students are invited to an additional transition morning to meet members of the support team and get to know the school environment.

All parents are invited to attend Transition parents' evening.

Moving to Post 16: Students and families are helped to select the most suitable college that will address their needs. Joint visits are made with Connexions to all possible colleges to check what they offer SEND students where possible. Connexions attend all annual reviews in Year 11 to support this process.

5. Adaptations to the curriculum and learning environment

All our teaching staff have accessed training in making tweaks and adaptations to their teaching, to recognise strengths and meet needs across the 4 broad areas of need, which our Judith Carter Model breaks down into the 7Cs areas such as:

- Adapting our curriculum to ensure all students are able to access it , for example by grouping, 1:1 work, adapting the teaching style or content of the lesson.
- Adapting our resources and staffing and deploying TAs to support.
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, standing desks and attention aids
- Adapting our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, and reading instructions aloud.

6. Expertise and training of staff

All staff attend training on various SEND areas throughout the year. We attend staff training to share knowledge, strategies and experiences and to ensure consistency of the academy's approach for students with SEND.

Teachers and support staff attend training run by outside agencies that are relevant to the needs of the students they are working with.

The SENDCO works very closely with specialists, who provide advice and direct support regularly. In the past year, staff have accessed a range of training courses including

Monday 4 th September 2023	Teaching/Learning Support Staff	Identifying needs and supporting through adaptive teaching
Monday 4 th September 2023	LSA/LSPs	Supporting our SEND pupils
Monday 9 th October 2023	LSA/LSPs	How to produce effective learning plan reviews
Wednesday 11 th October 2023	Teaching Staff - WAGOLL	Adaptive Teaching
Monday 6 th November 2023	All School Staff	AET Schools Making Sense of Autism Level 1
Monday 6 th November 2023	LSA/LSPs	Makaton Training
Tuesday 14 th November 2023	ECT/PGCE	SEND Basics – Using Pupil Profiles/Edukey
Tuesday 5 th December 2023	ECT/PGCE	Supporting Pupils with Specific Needs
Wednesday 13 th December 2023	LSA/LSPs	Safeguarding for Support Staff
Thursday 8 th February 2024	LSA/LSPs/Pastoral Team	Zones of Regulation training
Friday 9 th February 2024	All Staff	Adaptive Practice
Tuesday 21 st May 2024	ECT/PGCE	Adaptive Teaching for SEND
Tuesday 25 th June 2024	LSA/LSPs/Pastoral Team	Zones of Regulation training
Friday 28 th June 2024	All Staff	Emotion Coaching (part 1)
Wednesday 3 rd July 2024	All Staff	Emotion Coaching (part 2)

7. Disabled Access and Provision

We adhere to the requirements, as per the Equality Act 2010 to make reasonable adjustments for any student who has specific long- or short-term health needs or a disability. This might include exploring the scope for and following recommendations about physical adaptations to the academy or curriculum, providing access for students with disabilities.

Curriculum accessibility is closely monitored and assessed by the class teachers, under the direction of the SENDCO, subject leaders and the Senior Leadership team.

For further information please see our Accessibility Plan.

8. Securing equipment and facilities

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- Additional adult support
- Additional training for our staff
- External specialist expertise

We will consult with specialist agencies and services who loan or supply specialist equipment and get recommendations about how best to support your child to access their learning. We will use our notional budget and a threshold sum of £6000 to cover any necessary costs before seeking additional assistance from the Local Authority.

9. Involving parents and carers

If you think your child might have SEND or that they are struggling in a specific subject area, the first person you should tell is your child's class teacher who will investigate or pass on any concerns to our SENDCO as appropriate. Our staff will follow the Assess, Plan, Do, Review procedure detailed above.

If your child has a learning plan, we will provide termly reports on your child's progress. At these review points, we will:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Offer you the opportunity to discuss your views and the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

The SENDCO may also attend these meetings, to provide extra support.

10. Exam Access arrangements

Students who have been diagnosed as having a learning difficulty may be eligible for extra time and / or other "access arrangements" to complete internal examinations and public examinations.

Parents/carers are asked to liaise with the SENDCO in good time, with respect to this.

11. Access to extra-curricular and enrichment activities

All of our extra-curricular activities and Academy visits are available to all our pupils, including our extra-curricular clubs. The academy also offers extra-curricular activities that are specifically designed for students with SEND.

All students are encouraged to go on our academy trips, including our residential trips. If appropriate, our staff will contact you to discuss any reasonable adjustments which need to be made to enable your child to participate.

All students are encouraged to take part in sports day, performances and special workshops. The academy also organise an inclusive sports day specifically designed for students with SEND.

No student is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included

12. Support for Looked after Children and Previously Looked after Children with SEND

Our designated teacher will work with our SENDCO to make sure that all teachers understand how a looked-after or previously looked-after student's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after students will also have a personal education plan (PEP). We will make sure that the PEP and any SEND support plans or EHCPs are consistent and complement one another.

13. Complaints about SEND provision

If you have any complaints about this information report or SEND in general, please contact our SENDCO.

A copy of the full complaints procedure is available on the academy website.

14. Contact details of support services for parents of students with SEND

SENDIASS– This is an independent service that is not affiliated to the Local Authority or any academies. This service can share information and will explain parental rights regarding SEN and disabilities. They also hold a range of coffee mornings and information and support sessions.

CAMHS - [Child and Adolescent Mental Health Service | CAMHS \(blackcountryminds.com\)](#)

15. The local Authority Offer

The Local Authority has a Local Offer website and information about services that may be available to you.

[SEND Local Offer | Sandwell Family Hubs](#)

16. Monitoring arrangements

This information report will be reviewed by the SENDCO every year. It will also be updated if any changes to the information are made during the year. This report will be approved by the governing board.
